

Aerospace Testing Seminar

"Balancing the Basics with Innovation for Mission Success"

Advisory Board

Manhattan Beach Marriott
Manhattan Beach, Calif.
Oct. 12–15, 2009

General Chairmen

E. Perl, The Aerospace Corporation
D. Shelton, Lockheed Martin Space Systems Company

Administrators

L. Drexinger, The Aerospace Corporation
L. Kim, The Aerospace Corporation

Technical Program Chairmen

D. Kuhns, United Launch Alliance
S. Pano, Northrop Grumman Space Technology

International Coordinator

P. Messidoro, Thales Alenia Space Italia S.p.A.

Planning Group Advisory Board

B. Arnheim, The Aerospace Corporation	B. Pedersen, Lockheed Martin Space Systems Company
R. Barth, Lockheed Martin Space Systems Company (Ret.)	A. Peterson, The Aerospace Corporation
O. Brunner, European Space Agency / ESTEC	G. Pluckhan, Lockheed Martin Space Systems Company
D. Buettner, The Aerospace Corporation	J. Pope, Consultant
D. Cornog, The Boeing Company	J. Prebola, Aerospace Testing Alliance
T. Fisher, Jet Propulsion Laboratory (Ret.)	W. Raynor, Naval Research Laboratory
J. Forgrave, Jet Propulsion Laboratory	J. Rehard, National Technical Systems
F. Gillis, The Aerospace Corporation	Maj. Daniel Ryan, USAF, Space and Missile Systems Center
P. Giordano, Thales Alenia Space Italia S.p.A.	A. Rose, Jet Propulsion Laboratory
J. Haughton, Kinetic Research Corporation/NRL	G. Savaglio, Northrop Grumman Corporation
J. Hollon, Raytheon Company	T. Schoeneweis, Ball Aerospace & Technologies Corporation
A. Hozman, NASA Plum Brook Station	G. Sembenini, NATO Research and Technology Agency
G. Jones, Northrop Grumman Corporation	L. Sharma, Pratt & Whitney Rocketdyne (Ret.)
D. Kaufman, NASA Goddard Space Flight Center	H. Siddiqui, The Boeing Company
J. Kendrick, Institute of Environmental Sciences and Technology	R. Singhal, Canadian Space Agency
C. Kunstadter, Space XL Insurance	J. Snyder, The Aerospace Corporation
P. Larkin, Larkin Enterprises, Inc.	C. Stavriniadis, European Space Agency / ESTEC
Col. J. Loperena, USAF, Space and Missile Systems Center (Ret.)	P. Stovner, Raytheon Company
C. Mallini, NASA	E. Strong, NASA Johnson Space Center
R. Millen, The Boeing Company	M. Van Dyke, The Aerospace Corporation
R. Newton, National Technical Systems	J. Wang, Consultant
C. O'Gorman, Sandia National Laboratories	T. Wissink, Lockheed Martin Information Systems and Global Services
A. Oliver, Raytheon Company	K. Zanellato, General Dynamics
A. Patel, The Boeing Company
